

Metro Intersection

Here is a pattern we created for the 2011 Motor Officer Skills Training / Competition in Northwest Arkansas. It is a combination of the Santa Rosa / Intersection / etc.

The color pattern of the arrows shows the path.

Begin with Green - straight line weave

Move into Red - clockwise trace of Intersection

Move to Yellow - straight line weave

Move to Blue - trace outside counter clockwise and fig.8

Exit along Gray line

Cpl. R. Hargus #221

Fayetteville Police Department
